## They Stand Alone.

Standing out in bold relief, all alone, and as a conspicuous sign of open, frank and honest dealing with the sick and afflicted, are Dr. Pierce's Favorite Prescription for weak, over-worked, debilitated, nervous, "run-down," pale, racked women, and Dr. Pierce's Golden Medical Discovery, the famous remedy for stomach, indigestion, or dyspepsia, torpid liver, or biliousness, all catarrhal affections, whether of the stomach, bowels, kidneys, bladder, nasal passages, throat, bronchus, or other mucous passages, also as an effective remedy for all diseases arising from thin, watery or impure blood, as scrofulous and skin affections.

Each bottle of the above medicines bears upon its wrapper a badge of honesty in the full list of ingredients composing it—printed in plain English. This frank and open publicity places these medicines in a class all by themselves, and is the best guaranty of their merit. They cannot be classed as patent nor secret medicines for they are neither.

Dr. Pierce feels that he can afford to take the afflicted into his full confidence and lay all the ingredients of his medicines freely before them because these ingredients are such as are endorsed and most strongly praised by scores of the most eminent medical writers as cures for the diseases for which these medicines are recommended. Therefore, the afflicted do not have to rely alone upon Dr. Pierce's recommendation as to the curative value of his medicines for certain easily recognized diseases.

A glance at the printed formula on each bottle will show that no alcohol and no harmful or habit-forming drugs enter into Dr. Pierce's medicines, they being wholly compounded of glyceric extracts of the roots of native American forest plants. These are the best and safest for the cure of most lingering, chronic diseases. Dr. E. V. Pierce can be consulted free, by addressing him at Buffalo, N. Y., and all communications are regarded as sacredly confidential.

It is as easy to be well as ill—and much more comfortable. Constipation is the cause of many forms of illness. Dr. Pierce's Pleasant Pellets cure constipation. They are tiny, sugar-coated granules. One little "Pellet" is a gentle laxative, two a mild cathartic. All dealers in medicines sell these.

**A Positive CATARRH CURE**  
Ely's Cream Balm  
is quickly absorbed.  
Gives Relief at Once.  
It cleanses, soothes, heals and protects the diseased membrane. It cures Catarrh and drives away a Cold in the Head quickly. Restores the senses. Full size 50 cts., at Drug Stores and by mail. Trial size 10 cts. by mail. Ely Brothers, 50 Warren Street, New York.

**Indigestion**  
Stomach trouble is but a symptom of, and not the true disease. It is a sign of dyspepsia, indigestion, and indigestion of real diseases, and they are symptoms only of a certain specific nerve sickness—nothing else.  
It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Remedy. Dr. Shoop's Restorative. Going direct to the stomach nerves, it brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had. For stomach distress, bloating, biliousness, bad breath and indigestion, try Dr. Shoop's Restorative. Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend.

### THRILLING RESCUE.

A thrilling tale was told in Providence R. I., Monday night by the survivors of a great storm that raged off Long Island from Saturday night until yesterday. All of them had faced death so long and suffered so severely that at one time none expected to live. One of the survivors, an infant boy, was tied in a dunnage bag and buried from a tumbling life-boat to the deck of a tug. Another, a girl three years old, also bound in a dunnage bag, was dragged through the sea and landed safely beside her brother. No person was drowned.

The survivors were taken to Providence by the tug Buccanere, which left Baltimore Thursday afternoon, bound for Providence, towing two immense coal barges, the Annie M. Ashe and the Montana, both of which were lost.  
Late Saturday night the vessels encountered a heavy storm off the Highlands of Navesink, and when the tug and her tow reached a point off the lower side of Long Island Sound, the Ashe began to settle.  
The tug cut loose from the Montana and went to the rescue of those on the sinking barge. Capt. Lockhardt, of the Ashe, had a lifeboat launched, into which he placed his two children, tied in dunnage bags, and Mrs. Lockhardt. Engineer Kaudon took charge of the boat, and when the tug had approached within ten feet of the little craft, Engineer Kaudon dragged out the bag containing the boy and threw it in the arms of a deck hand. He then grasped the bag in which the little girl was imprisoned, and after catching a line from the tug, tied it to the top of the sack. As the boat rose on the crest of a wave he dropped the bag overboard, and the crew of the tug hauled it carefully aboard. Mrs. Lockhardt, frantic with fear, dropped back in a hysterical condition.  
Another line was sent whistling into the lifeboat and this Kaudon fastened under Mrs. Lockhardt's arms. The woman was dropped into the sea as her daughter had been, and the rescuers dragged her through the seas. But swiftly as they worked, the woman was half-drowned when she was seized by kindly hands. Then the men were saved and the barge sank. Later the Montana was abandoned and it too, went down. Capt. Davis and his three men succeeded, after a desperate struggle, in rowing their boat under the lee of the tug which picked them up.

Argo Red Salmon is cleaned and packed entirely by machine, and not touched by the human hand. After trying it you will use no other. 15 cents per can at all grocers.  
Cold Wave in Europe.  
The cold wave which was recorded from the Continent of Europe Monday has reached Great Britain. The temperature fell twenty degrees yesterday, and there was a boisterous easterly gale, with threat of snow.  
Almost the whole of Europe is now involved in this cold wave, a feature of which has been the suddenness of the fall in temperature in western Europe. There has been a heavy fall of snow at Naples and in the Swiss Alps, while in Germany, Austria, and Russia the severity of the weather is increasing and causing intense discomfort and suffering. Vienna reports the lowest temperature recorded in fifty years.  
There have been heavy snowstorms in Bohemia, and hundreds of school children in Galicia have been frostbitten. At Trieste, a boisterous blustering wind that blows over the Adriatic is raging, and navigation has been suspended.  
All of southern Russia and the Black Sea are being swept by a blizzard of extraordinary violence, and the harbor at Odessa is frozen over. Many vessels are ashore in the neighborhood of Odessa, and it is impossible to send them aid. The railroad lines are buried in snow, and communication cannot be maintained. Numerous deaths have been recorded, and the temperature is still falling.  
The cold continues at Constantinople, where a slight earthquake was recorded yesterday.  
The thermometers in Berlin registered two degrees below zero yesterday and still lower temperatures were recorded in northern Germany. This is colder weather than has prevailed in Germany since March, 1888. There is much suffering among the poorer classes. Navigation of the Rhine is partially interrupted by ice, and railway traffic in central Europe is delayed by the severity of the weather.  
A dispatch from Rome says that heavy wind and snow storms throughout the peninsula have been causing serious damage on land, and a number of fishing boats have been wrecked off the coasts.

**A Tragic Finish.**  
A watchman's neglect permitted a leak in the great North Sea dyke, which a child's finger could have stopped, to become a ruinous leak, devastating an entire province of Holland. In like manner Kenneth Miller, of Vancouver, B. C., permitted a little cold to go unnoticed until a large tragic finish was averted by Dr. King's New Discovery. He writes: "Three doctors gave me up to die of lung inflammation caused by a neglected cold; but Dr. King's New Discovery saved my life. Guaranteed best cough and cold cure at \$1.00. Trial bottle free, 50c and \$1.00. Trial bottle free."

Mothers who give their children Kennedy's Laxative Cough Syrup invariably endorse it. Contains Honey and Tar. Conforms to the National Pure Food and Drug Law. Sold by W. F. Creighton & Co., 401 King street.

## Sharp Rebuke to Churches

Chicago churches received a sharp rebuke from Henry F. Cope, secretary of the Educational Religious Association, Monday, for their "sacriligious neglect" of the Sunday school. He said the Sunday school in Chicago had become a "dead letter" and that an oyster supper was considered of more importance. New methods used to interest the Sunday school children were declared by him to consist of "tinkling, trashy music and bizarre effects" in an effort to gain popularity. Once a year, he stated, the church has a "special spasm" in which it induces as many as possible to "join."

Mr. Cope's remarks on the Sunday school were made during a conference on the church and religious education held at the University of Chicago. He spoke on the subject of "The Present Condition of Sunday School Work in Chicago," and said in part:  
"Accustomed to regard the Sunday school as traditional and incidental, without real importance the churches have compelled the schools to shift for themselves, the infants being banished to cobbler's benches to become neighbors to the coal bin and ash pile; the intermediates to squirm in the pews in the auditorium and the saints in the Bible class to sleep in the gallery."

"The church is complaining of the teacher's inefficiency. She is ready to applaud the man who cracks carboniferous chestnuts about the mistakes of the teachers, but she is unwilling to spend a dollar or a thought on the Sunday school."

"We have such dangerous tendencies as to divide the school into two hostile camps to gain scholars, if only temporarily, and many of them are stolen from other schools. Sometimes the winner may enjoy a banquet at the expense of the losing side."

Does Coffee disagree with you? Probably it does! Henry F. Cope's Health Coffee. "Health Coffee" is a clever combination of parched cereals and nuts. Not a grain of real coffee, remember, in Dr. Shoop's Health Coffee, yet its flavor and taste matches closely old Java and Mocha Coffee. If your stomach, heart, or kidneys can't stand Coffee drinking, try Health Coffee. It is wholesome, nourishing, and satisfying. It's safe even for the youngest child. Sold by E. S. Leadbeater & Sons, druggists.

At a meeting of the board of directors of the Jamestown Exposition, held in Norfolk yesterday, the following officers were elected:

Barrett, third vice president, Newport News; Joseph Bryan, fourth vice president, Richmond; C. S. Sherwood, fifth vice president, Portsmouth; Judge T. S.
